

For Sale:

4.85m 'Adventurer'

Manufactured from 4mm 5083 grade aluminium, the 'Adventurer' range of vessels from Plate Alloy Australia Pty Ltd, are a fine entry, soft riding and stable hullform, ideal for lake, bay and estuary fishing. The boats can be setup as side console or tiller steer, and the layout has plenty of storage for those who may need it.

All boats are supplied fully foamed with builders plates fitted.

Investment: \$13,280- (ready for fitout) or \$15,980 with trailer.
